Agenda of the meeting

- Finalization of the project

Discussion

In this meeting we discussed about previous project ideas and new ideas. One of the new idea was creating a platform for selling and buying of books in the college campus for our project. Where one can buy/sell old books to his/her peers and juniors. There will a rating system which will rate the books. Also there will be an open forum on which students will post their queries and get answers to.

Conclusion

- Selling and Buying of books.
- Rating of books by students and faculty.
