## Agenda of our meeting

- Group division - Android Group, Web Group and Server Group.
- Work division - Webpages and Android screens
- How we will communicate and work during the mid-sem break?

## Discussion

In this meeting our team was divided in three parts.

1. Web - Akhilesh, Kushal, Sonu, Dilip, Raghuvar, Chirag.
2. Android - Aditya, Harish, Anjul, Gaurav
3. Server - Anjul, Harish

How we communicate during the mid-sem break? Either by call or Whatsapp messaging. During the break all the members will do their work and submit in the common repository so everyone can use their work.
