Agenda of our meeting

- Making a questionnaire.

- Concrete definition of our project.

Discussion

In this meeting we discussed about the project definition that was- **"A verified portal for selling/buying book in campus, reviewing of book and uploading study materials along with an open forum "**.

Concrete Definition : All the facts regarding to the definition of our project can be concluded with these points.

1. For students interested in selling and buying 2nd hand books and also a place where people can share course material.

2. Reviewing Books, study materials and rating by student and faculty.

3. Discussion forum where people can have discussion about books or any other study material.

4. Download and upload option for course material.

5. User profile for student and faculty.
